

# Uninstall Chaos Player

This page provides information on uninstalling Chaos Player.

## Overview

---

The V-Ray installer will automatically uninstall any previous versions before installing a newer version. If you need to manually uninstall V-Ray, please make sure that Chaos Player is not in use.

## Uninstalling Chaos Player

---

The Uninstaller originally resides in the following location:

For Windows: ***C:\Program Files\Chaos Group\Chaos Player\uninstall\uninstall.exe***

To access the Chaos Player uninstaller from the Start menu, search for **Uninstall Chaos Player**.
